VERZEIGENISS ଃ ପ୍ରତ୍ୟ ବିତ ଓ ପ୍ରତ୍ୟ in- und ausländischen Sträuchern Baumen, Stauden kultivirt und für beigesetzte Preise verkäuflich in der Königlichen Central - Baumschule für die Regierungsbezirke Köln, Aachen und Düsseldorf zu KODUN. Gedruckt bei Wilh. Clouth.

## Allgemeine Bemerkungen.

Dieses Verzeichniss behält seine Gültigkeit bis zur Ausgabe eines neuen.

Die Preise sind in Silbergroschen preuss. Courant

festgestellt.

Die Bestellungen und Zahlungen sind an den unterzeichneten Direktor Portofrei einzusenden.

Unbekannte Ankäufer sind gebeten Ihre gefälligen Aufträge mit Rimessen oder genügender Nachweisung zu begleiten; für Detail-Ankäuse von Pslanzen in der Anstalt selbst ohne vorherige Bestellung, ist der Betrag dort gleich bei der Abnahme in preuss. Cour. zu entrichten. Kleine Beträge von einigen Thalern sind der Bestellung gleich beizufügen oder werden durch Postvorschuss entnommen.

Für geeignete sichere Verpackung wird besondere Sorge getragen und die Emballage nur selbstkostend in

Anrechnung gebracht.

Die Versendung geschieht auf Kosten und Gefahr des Empfängers und wird derselbe gebeten, die Gelegenheit nachzuweisen durch welche die Beförderung geschehen soll.

Köln im November 4839)

J. Greiss.
